

Good Shepherd Advent Sunday School Series presents

The Extraordinary in the Ordinary: Liturgy & Divine Presence

November 27th – December 18th

9:15–10am, Conference Room

Liturgy is about the extraordinary breaking into the ordinary. This season of Advent, as we prepare for the in-breaking of God through the mystery of the Incarnation, we invite you to explore the deep spirituality of our weekly worship experience. Guest facilitator Kristen Leigh Southworth will take us on a four-week journey to discover how our participation in the Eucharist opens our hearts and prepares us to encounter the presence of God in our midst.

***Kristen Leigh Southworth, M.Div.** is a graduate of Union Theological Seminary and Assistant Director of The Servant Leadership School of Greensboro.*
